Friends of the WSO

BECOME A FRIEND!

Giving as a *Friend of the Windsor Symphony Orchestra* is a rewarding tradition that directly connects you to the annual production and presentation of concerts, music education programmes for children and adults, outreach concerts and family entertainment. As a *Friend*, your gift accomplishes two things:

- it provides essential funding on an annual basis to sustain the operations of your outstanding orchestra
- it is an easy step for you to become more involved in the WSO, through benefits designed to provide an enhanced experience for you as an audience member

These two elements go hand in hand – with your increased involvement the WSO is better able to provide the captivating, enlivening symphonic listening experience which inspires more and more people to lend their support. Your contribution is important to sustain ongoing annual operations. Ticket prices cover only one third of the cost of the concerts – the balance comes from a variety of sources, including *Friends* like you.
